Giusti said "Nous venons de rentrer de New York, où nous étions logés chez Stéphanie.

C'était vraiment formidable: la localisation est parfaite: métro tout proche, quartier très calme, beaucoup de petits restaurants tout autour, sans compter les églises (magnifique messe de Pâques avec gospels juste à côté de notre logement). L'accueil est très agréable, et j'ai eu tout de suite l'impression avec Stephanie d'être reçue par "la cousine d'Amérique", aud foit tout on m'elle part pour pendre potre sélont comfatable et plusei. On cordens un qui fait tout ce qu'elle peut pour rendre notre séjour confortable et réussi . On gardera un excellent souvenir du "Studio Chic (magnifique décoration ,bain à jacusi ...) de Stéphanie et de ses deux craquants petits garçons . Rendez vous pour un prochain séjour , sans hésitation . Simone "
